

RECRUITMENT

Recruitment is a critical and resource-intensive task. Coreco, with our unique network in the construction and real estate sectors, efficiently connects you to top talent, respecting the investment of time and resources involved.

As dedicated business and procurement consultants specializing in the construction and real estate sector, we've encountered numerous talented individuals nationwide. These encounters have allowed us to cultivate a vast network of contacts. From our inception, we've focused on meticulously selecting and aligning talent with specific needs making recruitment a key component of our offerings. To date, we have successfully executed approximately 100 recruitments, showcasing our commitment to connecting top talent with the right opportunities.

If you're looking to expand your procurement organization, the right candidate may already be within our network. We grasp both your business and specific needs enabling us to provide candidates who not only meet but exceed your expectations in terms of qualification and fit. Our approach is defined and tested, ensuring we collaboratively work towards and achieve your objectives.

We recruit for the following roles:

- Project buyer
- Construction Procurement Specialist
- Strategic Buyer
- Category Manager
- Category Buyer
- Procurement Controller
- Construction Economist
- Contract Manager
- Procurement Manager
- Project Developer

Timeline: 10–12 weeks from order to candidate presentation.

Process: Needs analysis - Advertising - Selection - Candidate presentation - Testing - Reference check

Price: 150,000 SEK

About the tests: We use adequate tests based on the position and role to ensure a good match for your organization.
